

ACCESSIBLE, AFFORDABLE, INCLUSIVE

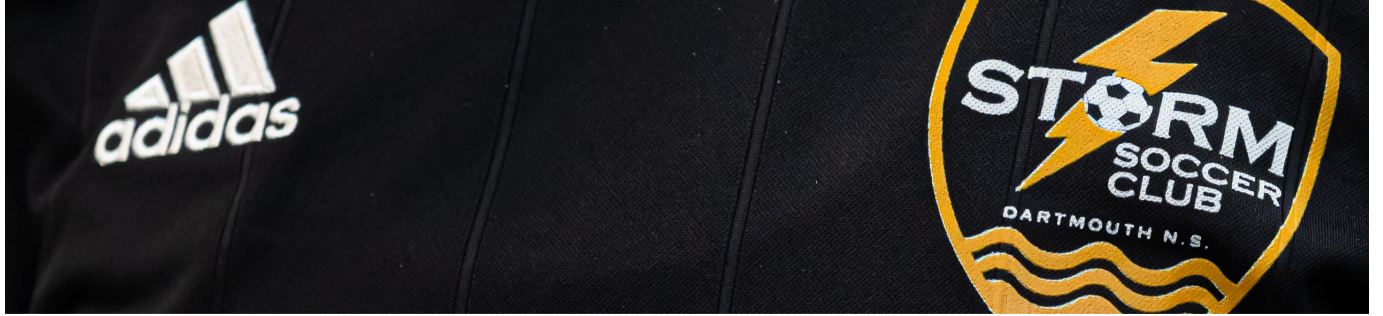

The story began back in 2010, when 2 Englishmen and an Irishman sat around a table in a Tim Horton's and spoke about their dream of bringing their love and passion for the game of football (as they call it back in England) over here to Nova Scotia. They spoke about starting a Club which was **accessible, affordable, and provided high-calibre quality soccer** to kids of all ages and backgrounds. Coming from England where Soccer Clubs are found on every corner and soccer is not only a sport but a way of life, they wanted to devise a program which would allow kids to experience everything that they had. A beautiful game, a memorable experience and friendships that would last a lifetime.

Storm Soccer Club was officially formed as a **non-profit organisation** (not long after that initial Tim Horton's chat!) and quickly grew in reputation. As of today, Storm has members from Dartmouth, Halifax, Cole Harbour, Eastern Passage, Porters Lake, and Waverly. Storm's Soccer program has been designed to promote a fun and energetic style of play, enabling the youth from our community to reach their full potential in the sport, whilst building true camaraderie.

Storm are completely **volunteer led**, and use the Grassroots Development Program, which was implemented by Soccer Canada, so that they can continue provide accessible and consistent training and support to all those who play and volunteer for them. Storm ensure that as they continue to grow the Club, they also continue to improve the experience of the programs they offer and are proud to say that most of their players have been with them since the beginning and are still playing for them now!

Each year, we reach out to businesses in our community to support our Soccer Club through sponsorship.

We are seeking a mutually beneficial partnership that will allow us to achieve our goals and help to promote a commitment to supporting youth sports in the community.

We are a volunteer run, non-profit organization that operates year-round to help kids play sports locally.

Over the last year, we have seen exponential growth for the Club and continued support from businesses is critical to help our organization continue to operate.

SPONSORSHIP LEVELS

Gold Package - \$20,000

Logo printed on the front of all game jerseys

Logo on shorts

Logo on Corporate Banner used at all major games and events

Logo on website homepage

Profile on website partner page
